Bookmobile Stop Criteria

The First Regional Library provides bookmobile service to childcare centers in our five-county area. Due to limited scheduling time, the bookmobile cannot visit all centers; therefore, the following criteria are considered when selecting and retaining bookmobile stops.

All bookmobile stops must have sufficient parking for a 28 foot bookmobile with easy access in and out of the parking area. A 50 amp outlet would be highly desirable as well.

A bookmobile stop should have restrooms available for the bookmobile staff.

The Director or contact person of the participating childcare centers should have an active First Regional Library Card.

If a childcare center wishes to cancel a scheduled visit, a call should be made to the number listed above at least 24 hours in advance.

The First Regional Library reserves the right to cancel stops that exhibit low attendance and/or low circulation in order to serve the maximum number of children possible throughout our region.
