

IS MY CHILD READY FOR SCHOOL?

Motor Skills

- Hops on one foot for five feet.
- Cuts with scissors in a relatively straight line.
- Is able to copy a plus sign, a V, and a square.

Language Readiness

- Asks a question and expresses a need.
- Answers questions with more than one word.
- Follows a three-step direction in order:
"Go to your room. Get your slippers.
Turn out the light."

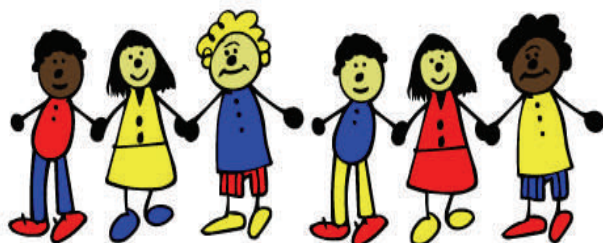

Cognitive Ability

- Grasps simple comparisons: When shown two items, says which is bigger.
- Draws a stick person with five or more body parts.

Social Skills

- Is comfortable in a group.
- Works, shares, and plays with others.
- Follows directions and a routine.

From *Parents Magazine*, March 2007
